EXPLANATORY NOTES

The purpose of this Act is to ratify the Agreement relating to the concept of parliamentary group, to the conduct of proceedings in the Assembly and in parliamentary committees as well as to budgetary aspects for the duration of the 42nd Legislature.

The Act modifies the composition of the Office of the National Assembly for the duration of the 42nd Legislature to include, in addition to the President of the National Assembly, six members from the Government party, three from the Official Opposition party and one from each of the other opposition parties represented in the National Assembly following the 1 October 2018 general election.

The Act also modifies, for the same duration, the conditions for opposition parties other than the Official Opposition party to be entitled to the parliamentary offices of Leader and House Leader, thus granting that possibility to all the parties represented in the National Assembly following the last general election.

Lastly, the Act empowers the Office of the National Assembly to make any regulation necessary to implement these changes; such a regulation may be retroactive to the date of the beginning of the 42nd Legislature.
