

SECTION 2

2.1 In consideration of the rights and benefits herein set forth in favour of the Naskapis of Québec, the Naskapis of Québec hereby cede, release, surrender and convey all their native claims, rights, titles and interests, whatever they may be, in and to land in the Territory and in Québec, and Québec and Canada accept such surrender.

2.2 Québec and Canada, la Société d'énergie de la Baie James, la Société de développement de la Baie James and la Commission hydroélectrique de Québec (Hydro-Québec), to the extent of their respective obligations as set forth herein, hereby give, grant, recognize and provide to the Naskapis of Québec the rights, privileges and benefits specified herein, the whole in consideration of the said cession, release, surrender and conveyance mentioned in subsection 2.1.

Canada hereby approves of and consents to the present Agreement and undertakes, to the extent of its obligations herein, to give, grant, recognize and provide to the Naskapis of Québec the rights, privileges and benefits herein.

No legal proceedings

2.3 The Naskapis of Québec undertake not to institute any legal proceedings relating to the matters contemplated in the legal proceedings instituted under the numbers 05-04840-72 and 05-04841-72 of the records of the Superior Court of the District of Montréal.

Legislation

2.4 Canada and Québec shall, forthwith upon the approval of the present Agreement in accordance with subsection 2.13, recommend to Parliament and to l'Assemblée nationale respectively, suitable legislation, or where authorized by legislation adopt suitable orders-in-council or regulations, to approve, to give effect to and to declare valid the present Agreement and to protect, safeguard and maintain the rights and obligations contained in the present Agreement. Canada and Québec undertake that the legislation which will be so recommended, or the orders-in-council or regulations so adopted, will not impair the substance of the rights, undertakings and obligations provided for in the present Agreement.

The legislation of Québec approving, giving effect to and declaring valid the present Agreement shall provide for the means of setting aside Category IN lands in accordance with the provisions of the present Agreement.

Coming into force of the present Agreement

2.5 The present Agreement shall come into force on the date when:

a) the Order-in-Council of Canada and the legislation of Québec approving, giving effect to and declaring valid the present Agreement,

and

b) the Complementary Agreement No. 1 to the James Bay and Northern Québec Agreement signed on the same date as the present Agreement,

are in force.

Nevertheless, from the date that the present Agreement comes into force, the rights and obligations resulting from sections 3 to 20 inclusive of the present Agreement are suspended until the termination of the "Transitional Period" hereinafter provided for in paragraph 2.5.2.

2.5.1 Notwithstanding the foregoing provisions of the present subsection, during the "Transitional Period" the Transitional Measures provided for in section 9 and, when the context permits, in this section shall apply.

2.5.2 Subject to subsection 2.6, the "Transitional Period" is the period from the date of the approval of the present Agreement, in conformity with subsection 2.13, until the date, after the coming into force of the present Agreement, either when the Category IAN lands are set aside for the exclusive use and benefit of the Naskapi band pursuant to the provisions of the present Agreement or, in the case of relocation in accordance with the provisions of section 20, when the Naskapis of Québec have relocated, whichever is the later.

2.5.3 During the Transitional Period, Canada and Québec shall, to the extent of their respective obligations, take the measures necessary to put into force, with effect from the date of approval of the present Agreement or as herein otherwise provided, the Transitional Measures specified in the present Agreement.

2.5.4 At the termination of the Transitional Period, the Transitional Measures shall be replaced by all the other provisions of the present Agreement. All acts done by the parties in virtue of the said Transitional Measures shall then be deemed to have been ratified by all the parties hereto.

Lapse of Transitional Period and of Transitional Measures

2.6 In the event that the present Agreement does not come into force, as provided in subsection 2.5, within two (2) years from the date of the approval of the present Agreement, the Transitional Period and the Transitional Measures shall lapse. In such event all compensation, paid pursuant to subsection 16.1 by Québec or Canada, to or for the benefit of the Naskapis of Québec, but not the interest earned thereon to the date of such lapse, shall be repaid to, revert to or remain with, as the case may be, the said governments.

Present Agreement not coming into force

2.7 In the event that the legislative measures referred to in subsection 2.4 do not come into force within two (2) years from the date of the approval of the present Agreement, the parties are released from any and all obligations resulting from the present Agreement, the parties are released from any and all obligations resulting from the present Agreement. In such event, notwithstanding the Transitional Measures referred to in the present Agreement, nothing in the present Agreement shall be construed as imposing any obligations upon the parties to continue any or all of the Transitional Measures or any other obligation or undertaking referred to elsewhere in the present Agreement.

Nevertheless, Québec and Canada, to the extent of their respective undertakings, agree to assume and implement the said Transitional Measures, and the Naskapis of Québec have accepted same on the basis that said legislative measures shall be adopted to put the present Agreement into force and effect.

Québec jurisdiction in lands

2.8 The parties hereto recognize and declare that all lands other than Category IAN lands and other than the lands defined in subsection 1.2 of the James Bay and Northern Québec Agreement are and shall remain under the exclusive legislative jurisdiction of Québec.

In the event that a final judgment of a competent court of last resort declares that the whole or any part of Category IIN lands and of Category III lands fall under the legislative jurisdiction of Canada, because of rights granted to the Naskapis of Québec with respect to all or any such lands or because such lands are held to be

lands reserved for Indians, then any rights given to the Naskapis of Québec with respect to such lands shall cease to exist for all legal purposes.

Québec and Canada undertake as of the date of the said judgment, both one to the other, as well as individually and collectively, in favour of the Naskapis of Québec to do all things necessary and to introduce such legislative or other measures needed to enable Québec and/or Canada, in their respective jurisdiction, to grant anew the same rights that ceased to exist but with Québec's jurisdiction in the said lands.

Nonetheless, in order to avoid hardship to the Naskapis of Québec and notwithstanding the above, the effect of the preceding provisions with respect to the termination of the rights of the Naskapis of Québec shall be suspended for a period of two (2) years following the date of the judgment.

During such period of suspension, Québec and Canada undertake that they will not do anything or permit anything to be done which would prevent the granting or restoration to the Naskapis of Québec of any rights so nullified.

At the expiration of the period of suspension of two (2) years mentioned above, should no measures have been taken which would make possible, under the jurisdiction of Québec, the restoration of rights to the Naskapis of Québec, Canada and Québec shall continue to endeavour to take the measures necessary which will make possible the restoration under the jurisdiction of Québec of the said rights over Category IIN lands and Category III lands.

Should any Category IBN lands be held by a final judgment of a competent court of last resort to fall under the legislative jurisdiction of Canada, none of the rights of the Naskapis of Québec in regard to such lands shall be affected. However, Canada and Québec undertake to diligently do all things necessary and to introduce such legislative or other measures required so that such lands and rights of the Naskapis of Québec related to such lands fall under the legislative jurisdiction of Québec.

The termination of any rights in virtue of this subsection and the circumstances described herein shall not be deemed to be nor be construed as nullifying in any manner whatsoever any other rights or provisions of the present Agreement.

Citizens' rights

2.9 Nothing contained in the present Agreement shall prejudice the rights of the Naskapis of Québec as Canadian citizens of Québec, and they shall continue to be entitled to all of the rights and benefits of all other citizens as well as those resulting from the Indian Act (as applicable) and from any other legislation applicable to them from time to time.

Programs of Canada and Québec

2.10 The programs and funding of Canada and Québec, and the obligations of the governments of Canada and Québec, shall continue to apply to the Naskapis of Québec on the same basis as to the other Indians of Canada in the case of Canada's programs, and of Québec in the case of Québec's programs, subject to the criteria established from time to time for the application of such programs. It is acknowledged by the parties hereto that the programs and funding for the Crees or Inuit, or both, established by or pursuant to the James Bay and Northern Québec Agreement do not apply to the Naskapis of Québec, it being acknowledged that the programs and funding established by or pursuant to the present Agreement apply only to the Naskapis.

Canada, Québec and private interests

2.11 The rights of the Crown in right of Canada in respect to federal properties and installations in the Territory and the rights of the Crown in right of Québec in respect to Québec's properties and installation in the Territory, which are now or hereafter owned by the Crown or used for the purposes of the government of

Canada or Québec, as the case may be, shall not be affected by the present Agreement, except as otherwise specifically provided for herein.

Subject to the provisions of the present Agreement the rights of persons not parties hereto shall not be affected.

Amendment

2.12. The present Agreement may be amended or modified from time to time, in the manner provided herein, or in the absence of such provision, with the consent of all the parties. Whenever for the purpose of, or pursuant to, the present Agreement, unless otherwise expressly specified, consent is required in order to amend or modify any of the terms and conditions of the present Agreement, such consent may be given on behalf of the Native people by the interested Native parties.

Approval

2.13 The present Agreement shall be subject to the approval of the Naskapi Native party on behalf of the Naskapis of Québec in a manner satisfactory to Canada within a delay not exceeding sixty (60) days from the date of the execution of the present Agreement. Within thirty (30) days of the reception of the resolution of the Naskapi Native party approving the present Agreement, the Minister of Indian Affairs and Northern Development shall forward to each of the parties Canada's acceptance of this approval and copies of the approval documents. The Transitional Measures provided for in the present Agreement shall take effect from the time of such approval, or, when specifically provided, retroactive to the date of the execution of the present Agreement.

Jurisdiction

2.14 Canada and Québec shall recommend or adopt, as the case may be, the legislative measures necessary to put the present Agreement into effect, subject to the terms of the present Agreement and to the legislative jurisdiction of Parliament and l'Assemblée nationale.

Acceptance of Stipulations for the Benefit of the Naskapis

2.15 The parties to the James Bay and Northern Québec Agreement have amended the James Bay and Northern Québec Agreement as set forth in schedules 1, 2, 3 and 4 of the present section which are annexed for identification purposes only, and the Naskapis of Québec hereby accept the stipulations for their benefit contained in the amendments to Sections 23 and 24 of the James Bay and Northern Québec Agreement.

The parties hereto agree that the entire agreement with the Naskapis of Québec and all the rights and obligations of the Naskapis of Québec resulting therefrom are contained in the present Agreement and in the provisions of the said amendments to the James Bay and Northern Québec Agreement. Québec and Canada shall take the necessary measures in order to table in l'Assemblée nationale and lay before Parliament respectively the proclamation and Order-in-Council required to approve, give effect to and declare valid the aforementioned amendments to the James Bay and Northern Québec Agreement

Not deemed to amend

2.16 The parties hereto agree that the present Agreement shall not, and shall not be deemed to, amend either expressly or by implication the James Bay and Northern Québec Agreement amended as set forth in the provisions of the schedules mentioned in subsection 2.15. The parties further agree that the present Agreement shall not affect the rights, privileges, benefits and obligations of the Crees and the Inuit under the James Bay and Northern Québec Agreement as so amended.

Notice

2.17 From the date of the approval of the present Agreement, whenever notice is required to be given in accordance with any provision hereof to the Crees, the Inuit or the Naskapis of Québec, such notice shall be given to the interested Native party unless otherwise provided.

Consent

2.18 From the date of the approval of the present Agreement, whenever any provision hereof requires that consent or approval be given for any matter and the body designated to give such consent or approval on behalf of the Naskapis of Québec has not been established or created, the Naskapi Native party shall, until the establishment or creation of the designated body, be entitled to give such consent or approval in the place and stead of such designated body.

When no Naskapi or duly authorized representative of the Naskapis is a member of the EQC at the time of said screening, the EQC shall consult with the Naskapi local authority before rendering a decision not to subject to the assessment and review process a proposed development on Category IBN lands or on Category IIN lands, and the EQC shall inform the Naskapi local authority of its decision to subject such a proposed development to the said assessment and review process. The remuneration of a member of the Review Panel and his expenses shall be paid for by the body which appoints such member. However, the expenses of the members appointed by the Regional Government or their duly authorized representatives on such panel shall be borne by the Secretariat of the Advisory Committee referred to in this Section.

23.7.5 Canada and Québec may by mutual agreement combine the two (2) impact review procedures by the EQC and the Federal Review Panel referred to in this Section provided that such combination shall be without prejudice to the rights and guarantees in favour of the Inuit and other inhabitants of the Region established by and in accordance with the provisions of this Section and to the rights and guarantees in favour of the Naskapis as provided for in sub-paragraph 23.2.2 g) and in paragraphs 23.3.3, 23.3.14, 23.3.20, 23.3.21, 23.3.22, 23.4.2, 23.4.12, 23.7.5 and 23.7.10.
