## EXPLANATORY NOTES

*This Act makes changes to the modes of appointment and dismissal of the Anti-Corruption Commissioner, the Director General of the Sûreté du Québec and the Director of Criminal and Penal Prosecutions.*

*Under the Act, the above-mentioned persons are appointed by the National Assembly on a motion of the Prime Minister and with the approval of two-thirds of the Members. Before being proposed by the Prime Minister, a person must meet with Members at a single in camera meeting, and, to that end, the Prime Minister must designate a Member from his or her party and request the leader of each other authorized party represented in the National Assembly to do likewise. The Act requires the Members to submit, within 15 days after the Prime Minister's request, a joint report to the Prime Minister containing each Member's recommendation regarding the candidacy of the person they met with, and specifies that the report is confidential.*

*The Act provides that, subject to certain causes for dismissal already provided for in the Police Act in the case of the Commissioner and that of the Director General of the Sûreté du Québec, the persons so appointed may be dismissed only by the National Assembly, for cause, on a motion of the Prime Minister and with the approval of two-thirds of the Members, after the minister concerned receives a written report from the Commission de la fonction publique. Before presenting a motion for dismissal, the Prime Minister must designate a Member from his or her party and request the leader of each other authorized party represented in the National Assembly to do likewise. A summary of the report of the Commission de la fonction publique is to be made available to the designated Members for consultation at a single in camera meeting.*

*Furthermore, the Act provides that the persons so appointed may not be suspended without remuneration by the Government except for cause, on the recommendation of the minister concerned after the latter receives a written report from the Commission de la fonction publique, and specifies that the suspension may not exceed three months.*

*The Act also contains other special rules for certain appointments and dismissals. A selection process is thus established for the appointment of the Director General of the Sûreté du Québec, who is to be appointed for a non-renewable seven-year term.*

*In the case of the Director of Criminal and Penal Prosecutions, the Minister of Justice must make a recommendation to the Prime Minister before the National Assembly can begin the appointment or dismissal process.*

*Various other amendments are made in connection with the proposed changes to the modes of appointment and dismissal.*

*Lastly, the Act contains transitional and consequential provisions.*

Before being proposed by the Prime Minister, the person shall meet with Members at a single in camera meeting. To that end, the Prime Minister shall designate a Member from his or her party and request the leader of each other authorized party represented in the National Assembly to do likewise.

The Minister shall also form a selection committee. The committee shall be made up of the Deputy Minister of Public Security, a former director of police recommended by the Association des directeurs de police du Québec, a person recommended by bodies representing the municipal sector, a person chosen by the Minister from among persons who work in a community sector organization and the executive director of the École nationale de police du Québec.

The selection committee shall promptly evaluate the candidates on the basis of their knowledge, particularly of the law enforcement community and the applicable law, their experience and their qualifications, according to the criteria determined by government regulation. Without delay, the committee shall present to the Minister a report in which it lists the candidates it has met whom it considers fit to hold the office of Director General. All information and documents regarding the candidates and the proceedings of the committee are confidential.

If, once the evaluation is concluded, fewer than two candidates are considered fit to hold the office of Director General, the Minister must publish a new invitation for applications.

The members of the selection committee shall receive no remuneration, except in the cases, on the conditions and to the extent that may be determined by the Government. The Government shall determine their remuneration, employee benefits and other conditions of employment; the Director General’s remuneration, once set, may not be reduced.

**“56.8.** Where the Director General is absent or unable to act, the Minister may designate a deputy director to act in that capacity for the duration of the absence or inability.

Where the position of Director General is vacant following a resignation or otherwise, the Minister may designate a deputy director to act as interim director general for a period not exceeding 18 months.

**“56.9.** Senior officers other than the Director General and deputy directors shall be appointed by the Minister on the recommendation of the Director General.

### **Regulation to amend Regulation 31-103 respecting Registration Requirements, Exemptions and Ongoing registrant Obligations**

Securities Act  
(chapter V-1.1, s. 331.1, par. (11), (26) and (34))

**1.** Section 14.6.1 of Regulation 31-103 respecting Registration Requirements, Exemptions and Ongoing Registrant Obligations (chapter V-1.1, r. 10) is amended by replacing paragraphs (1) and (2) with the following:

“(1) In this section

“cleared specified derivative”, “clearing corporation option”, “futures exchange”, “option on futures”, “specified derivative” and “standardized future” have the same meaning as in section 1.1 of Regulation 81-102 respecting Investment Funds (chapter V-1.1, r. 39);

“regulated clearing agency” has the same meaning as in subsection 1.1 of Regulation 94-101 respecting Mandatory Central Counterparty Clearing of Derivatives (chapter I-14.01, r. 0.01).

“(2) Subsection 14.5.2(2) does not apply to a registered firm in respect of cash or securities of a client or investment fund deposited with a member of a regulated clearing agency or a dealer as margin for transactions outside of Canada involving clearing corporation options, options on futures, standardized futures or cleared specified derivatives if

(a) the member or dealer is a member of a regulated clearing agency, futures exchange or stock exchange, and, as a result in any case, is subject to a regulatory audit,

(b) the member or dealer has a net worth, determined from its most recent audited financial statements, in excess of \$50 million, and

(c) a reasonable person would conclude that using the member or dealer is more beneficial to the client or investment fund than using a Canadian custodian.”.

**2.** (1) This Regulation comes into force on June 12, 2019.

(2) In Saskatchewan, despite subsection (1), if this Regulation is filed with the Registrar of Regulations after June 12, 2019, this Regulation comes into force on the day on which it is filed with the Registrar of Regulations.
