EXPLANATORY NOTES

This bill abolishes certain public bodies and confers on ministers the responsibilities assigned to some of those bodies or to other public bodies.

It also enables the Government to dissolve the Société nationale de l'amiante or to change its status.

The bill also terminates the Fonds central pour le bénéfice des personnes incarcérées and establishes a trust patrimony designated as the "Fonds central de soutien à la réinsertion sociale", the administration of which will be entrusted to the Minister of Public Security as trustee.

Lastly, the bill transfers to the Minister of Revenue the provisional administration of property assigned to the Public Curator under the Public Curator Act.
