EXPLANATORY NOTES

This Act authorizes the Government to pay out of the general fund of the Consolidated Revenue Fund, for the 2014-2015 fiscal year, a sum not exceeding \$31,070,812,753.00, including \$230,900,000.00 for the payment of expenditures chargeable to the 2015-2016 fiscal year, representing the appropriations to be voted for each of the portfolio programs listed in Schedules 1 and 2, less the amounts already provided by the special warrants issued under section 51 of the Public Administration Act.

Moreover, the Act indicates which programs are covered by a net voted appropriation. It also determines to what extent the Conseil du trésor may authorize the transfer of appropriations between programs or portfolios.

Lastly, the Act approves the expenditure and investment estimates for the special funds for the 2014-2015 fiscal year, and the excess special fund expenditures and investments for the 2012-2013 fiscal year.

Bill 9

APPROPRIATION ACT NO. 1, 2014-2015

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

1. The Government may draw out of the general fund of the Consolidated Revenue Fund a sum not exceeding \$31,070,812,753.00 to defray part of the Expenditure Budget of Québec tabled in the National Assembly for the 2014-2015 fiscal year, for which provision has not otherwise been made, including an amount of \$230,900,000.00 for the payment of expenditures chargeable to the 2015-2016 fiscal year.

This maximum amount, as well as the amounts provided by 2014-2015 Special Warrant No. 1, issued on 26 March 2014, and 2014-2015 Special Warrant No. 2, issued on 18 June 2014, are broken down by program in Schedules 1 and 2.

2. In the case of programs for which a net voted appropriation appears in the Expenditure Budget, the amount of the appropriation for the programs concerned may be increased, subject to the stipulated conditions, when the revenues associated with the net voted appropriation exceed revenue forecasts.

3. The Conseil du trésor may authorize the transfer between programs or portfolios of the portion of an appropriation for which provision has been made to this end, for the purposes of and, where applicable, according to the conditions described in the Expenditure Budget.

Furthermore, it may, in cases other than the transfer of a portion of an appropriation referred to in the first paragraph, authorize the transfer of a portion of an appropriation between programs in the same portfolio, insofar as such a transfer does not increase or decrease the amount of the appropriation authorized by law by more than 10%, excluding, where applicable, the portion of the appropriation for which provision has been made.

4. The expenditure and investment estimates for the special funds listed in Schedule 3 are approved for the 2014-2015 fiscal year.

5. Notwithstanding sections 86 and 92 of the Financial Administration Act (chapter A-6.001), the statement of expenditures and other costs associated with the special warrants referred to in section 1 is part of the detailed accountability reporting with respect to each of the programs concerned in accordance with the Expenditure Budget tabled in the National Assembly by

the Chair of the Conseil du trésor for the 2014-2015 fiscal year, as well as with respect to each special fund.

6. The excess special fund expenditures and investments for the 2012-2013 fiscal year listed in Schedule 4 are approved.

7. This Act comes into force on 3 July 2014.
