CHAPTER III

CERTIFICATE FROM REVENU QUÉBEC FOR CERTAIN CONTRACTS RESPECTING MAINTENANCE WORK IN PUBLIC BUILDINGS

TAXATION ACT

15. The Taxation Act (chapter I-3) is amended by inserting the following Title after section 1079.8.34:

“TITLE II.1

“BUSINESSES PERFORMING MAINTENANCE WORK IN PUBLIC BUILDINGS

“**1079.8.34.1.** In this Title,

“maintenance work” means maintenance work to which the Decree respecting building service employees in the Montréal region (chapter D-2, r. 15) or the Decree respecting building service employees in the Québec region (chapter D-2, r. 16) applies;

“maintenance work business” means a person who has an establishment in Québec and causes maintenance work to be performed, in whole or in part, by a subcontractor, except a person who is the owner, lessee or administrator of the public building in which the maintenance work is to be performed;

“maintenance work contract” means a contract or part of a contract that is entered into between a maintenance work business and a subcontractor, is carried out in Québec and provides for maintenance work;

“person” includes a partnership;

“subcontractor” means a person who has an establishment in Québec and performs maintenance work.

For the purposes of this Title, the following rules apply:

(a) the cost of a maintenance work contract is determined without reference to the Québec sales tax or the goods and services tax in respect of the contract;

(b) except for determining, for the purposes of subparagraph *b* of the first paragraph of section 1079.8.34.2, the cost of the maintenance work contracts entered into between a subcontractor and a maintenance work business in a calendar year, every contract entered into between a maintenance work business and a subcontractor, while the subcontractor is holding a valid certificate referred to in section 1079.8.34.2 because of another maintenance work contract entered into between them, is deemed to be the same contract as that other contract; and

(c) where the portion of the cost of a maintenance work contract entered into before (*insert the date of coming into force of this section*) that is attributable to maintenance work performed after (*insert the date preceding the date of coming into force of this section*) is equal to or greater than \$10,000, or where under an indeterminate-term maintenance work contract entered into before (*insert the date of coming into force of this section*), maintenance work is performed after (*insert the date preceding the date of coming into force of this section*), the following rules apply:

i. the contract is deemed to have been entered into on (*insert the date of coming into force of this section*) and, if the maintenance work provided for in the contract began before that date, is deemed to have begun on that date, and

ii. the first amount that the maintenance work business is required to report under the second paragraph of section 1079.8.34.3, in relation to the maintenance work contract, must include any amount that has been billed to it by the subcontractor before (*insert the date of coming into force of this section*) for maintenance work provided for in the contract and performed after (*insert the date preceding the date of coming into force of this section*).

“1079.8.34.2. A subcontractor must hold a valid certificate from Revenu Québec throughout the period that begins on the date of the beginning of the maintenance work provided for in a particular maintenance work contract entered into by the subcontractor in a calendar year and after (*insert the date preceding the date of coming into force of this section*) with a maintenance work business and that ends on the date of the end of the maintenance work provided for in the contract, where

(a) the particular maintenance work contract is an indeterminate-term contract;

(b) the total cost of the particular maintenance work contract and of the maintenance work contracts they entered into with each other previously in the calendar year, or the total cost of such contracts they entered into in a previous calendar year, is equal to or greater than \$10,000; or

(c) the subcontractor and the maintenance work business have previously entered into a contract with each other in respect of which this section has applied because of subparagraph a.

A subcontractor who entered into a maintenance work contract with a maintenance work business must give the business a copy of each certificate the subcontractor is required to hold under the first paragraph, on or before the day on which the maintenance work provided for in the contract begins or, in the case of a subsequent certificate, the day that follows the last day of the period of validity of the preceding certificate.

This section does not apply to a subcontractor who, on the day the maintenance work provided for in the contract begins, does not hold a registration certificate issued under Title I of the Act respecting the Québec sales tax (chapter T-0.1).

However, where the subcontractor becomes, after the day referred to in the third paragraph and before the day on which the maintenance work provided for in the contract ends, the holder of a registration certificate under Title I of the Act respecting the Québec sales tax, the following rules apply:

(a) the contract is deemed to have been entered into on the particular date that is 30 days after the date on which the subcontractor became the holder of such a certificate and the maintenance work provided for in the contract is deemed to have begun on the particular date; and

(b) the first amount that the maintenance work business is required to report under the second paragraph of section 1079.8.34.3, in relation to the maintenance work contract, must include any amount that was billed to it by the subcontractor before the particular date for maintenance work provided for in the contract and performed after that date.

For the purposes of subparagraph *b* of the first paragraph, no reference is to be made to the portion of the cost of a maintenance work contract attributable to maintenance work performed before (*insert the date of coming into force of this section*).

“1079.8.34.3. A maintenance work business that has entered into a particular maintenance work contract with a subcontractor must obtain from the subcontractor a copy of each certificate that the subcontractor is required to hold under the first paragraph of section 1079.8.34.2 because of that contract, ensure that it is valid and verify its authenticity in the prescribed manner, on or before the day on which the maintenance work provided for in the contract begins or, in the case of a subsequent certificate, the day that follows the last day of the period of validity of the preceding certificate.

The maintenance work business described in the first paragraph must also, on or before the day provided for in the third paragraph, report, in the prescribed manner, an amount that is the aggregate of the amounts that it was billed by the subcontractor in relation to the maintenance work provided for in the particular maintenance work contract, in each of the quarters ending on 31 March, 30 June, 30 September and 31 December in a year.

The day to which the second paragraph refers is the last day of the month following the month in which the quarter referred to in that paragraph ends.

The first amount that the maintenance work business must report under the second paragraph must also include any amount billed in respect of the particular contract before the beginning of the maintenance work.

This section does not apply to a maintenance work business that, on the day the maintenance work provided for in a contract begins, does not hold a registration certificate issued under Title I of the Act respecting the Québec sales tax (chapter T-0.1).

However, where the maintenance work business becomes, after the day referred to in the fifth paragraph and before the day on which the maintenance work provided for in the contract ends, the holder of a registration certificate under Title I of the Act respecting the Québec sales tax, this section applies to the maintenance work business as if the maintenance work provided for in the contract has begun on the date that is 30 days after the date on which the business became the holder of such a certificate.

“1079.8.34.4. Applications for a certificate from Revenu Québec must be made in the manner provided for in section 1079.8.19.

A certificate from Revenu Québec is issued to a person who, on the date specified in the certificate, has filed the returns and reports required under fiscal laws and has no overdue amount payable under such laws; this is the case, in particular, where recovery of such an amount has been legally suspended or, if arrangements have been made with the person to ensure payment of the amount, the person has not defaulted on the payment arrangements.

Where a partnership is registered with Revenu Québec as an employer, a certificate is issued to it only if, on the date specified in the certificate, it meets the conditions of the second paragraph and has performed, as at that date, all the obligations of a fiscal law imposed on its members, as employers.

A certificate is valid until the end of the three-month period (in this Title referred to as the “period of validity”) following the month in which it was issued.

“1079.8.34.5. A subcontractor who fails to comply with any of the obligations provided for in section 1079.8.34.2, in relation to a particular maintenance work contract entered into with a maintenance work business, incurs—for each of the quarters that end on 31 March, 30 June, 30 September and 31 December in a year and in which the subcontractor failed to comply with such an obligation—a penalty equal to the greater of

(a) \$175; and

(b) the lesser of

i. the product obtained by multiplying the amount that is 0.2% of the aggregate of the amounts billed under the particular contract, without reference to the Québec sales tax or the goods and services tax, by the subcontractor to the maintenance work business in that quarter by the number of days of non-compliance included in that quarter, and

ii. \$950.

“1079.8.34.6. A maintenance work business that fails to comply with any of the obligations provided for in section 1079.8.34.3, in relation to a particular maintenance work contract entered into with a subcontractor, incurs— for each particular quarter referred to in the second paragraph of section 1079.8.34.3 in which the business failed to comply with an obligation provided for in the first paragraph of that section or in respect of which the business failed to comply with the obligation provided for in the second paragraph of that section—a penalty equal to the greater of

(a) \$350; and

(b) the lesser of

i. the product obtained by multiplying the amount that is 0.4% of the aggregate of the amounts billed under the particular contract, without reference to the Québec sales tax or the goods and services tax, by the subcontractor to the maintenance work business in the particular quarter by the greater of

(1) the number of days during which the non-compliance of an obligation referred to in the first paragraph of section 1079.8.34.3 continues and that are included in the particular quarter, and

(2) the number of days during which the non-compliance of an obligation referred to in the second paragraph of section 1079.8.34.3 in respect of the particular quarter continues, up to 90, and

ii. \$2,850.

However, the maintenance work business may not incur, in respect of the same failure to comply, both the penalty provided for in the first paragraph and the penalty provided for in section 59 of the Tax Administration Act (chapter A-6.002).

“1079.8.34.7. In the case of a subsequent failure during the three years after the date on which a notice of assessment imposing a penalty provided for in section 1079.8.34.5 or 1079.8.34.6 is sent, the amount of the penalty that would otherwise be determined under either of those sections in respect of the subsequent failure is doubled.”

16. Section 1079.8.36 of the Act is replaced by the following section:

“1079.8.36. A person found guilty of an offence under section 1079.8.35 does not incur the penalty provided for in any of sections 1079.8.20 to 1079.8.22, 1079.8.30 to 1079.8.32, 1079.8.34.5 and 1079.8.34.6 unless it was imposed on the person before proceedings were instituted against the person under section 1079.8.35.”

- (1) section 22, does not pay the fees determined by regulation;

“65.2. The imposition of a monetary administrative penalty is prescribed by two years from the date of the failure to comply.

“65.3. If a failure to comply for which a monetary administrative penalty may be imposed continues for more than one day, it constitutes a new failure for each day it continues.

“DIVISION II

“NOTICE OF NON-COMPLIANCE AND IMPOSITION

“65.4. Where the Minister ascertains that a failure to comply with a provision of this Act or the regulations has occurred, a notice of non-compliance may be notified to the money-services business urging that the necessary measures be taken immediately to remedy the failure to comply.

Such a notice must mention that the failure to comply may give rise to a monetary administrative penalty.

“65.5. A monetary administrative penalty for a failure to comply with a provision of this Act or the regulations may not be imposed on a money-services business if a statement of offence has already been served because of a contravention of the same provision, based on the same facts.

“65.6. A monetary administrative penalty is imposed on a money-services business by the notification of a notice of claim.

The notice must state

- (1) the amount of the claim;
- (2) the reasons for it;
- (3) the time from which it bears interest;
- (4) the right, under section 65.7, to obtain a review of the decision to impose the penalty and the time limit for exercising that right; and
- (5) the right to contest the review decision before the Administrative Tribunal of Québec and the time limit for bringing such a proceeding.

The money-services business must also be informed that failure to pay the amount owing may give rise to the suspension or revocation of its licence and, if applicable, that the facts on which the claim is founded may result in penal proceedings.

Unless otherwise provided, the amount owing bears interest at the rate determined under the first paragraph of section 28 of the Tax Administration Act (chapter A-6.002), from the 31st day after notification of the notice.

“DIVISION III

“REVIEW

“65.7. A money-services business may apply in writing to the Minister for a review of the decision to impose a monetary administrative penalty within 30 days after notification of the notice of claim.

The persons responsible for the review are designated by the Minister. They must not come under the same administrative authority as the persons responsible for imposing such penalties.

“65.8. The application for review must be dealt with promptly. “65.9. The review decision must be written in clear and concise terms, with reasons given, must be notified to the applicant and must state the applicant’s right to contest the decision before the Administrative Tribunal of Québec and the time limit for bringing such a proceeding.

If the review decision is not rendered within 30 days after receipt of the application or, if applicable, within the time granted to the applicant to submit observations or produce documents, the interest provided for in the fourth paragraph of section 65.6 on the amount owing ceases to accrue until the decision is rendered.

“65.10. A review decision that confirms the imposition of a monetary administrative penalty may be contested before the Administrative Tribunal of Québec within 60 days after notification of the review decision.

The Tribunal may only confirm or quash a contested decision.

When rendering its decision, the Tribunal may make a ruling with respect to interest accrued on the penalty while the matter was pending before it.

“DIVISION IV

Such an agreement, or the payment of the amount owing, does not constitute, for the purposes of penal proceedings and any other administrative penalty under this Act, an acknowledgement of the facts giving rise to it.

“**65.12.** If the monetary administrative penalty owing is not paid in its entirety or the agreement entered into for that purpose is not complied with, the Minister may issue a recovery certificate on the expiry of the time for applying for a review of the decision to impose the penalty, on the expiry of the time for contesting the review decision before the Administrative Tribunal of Québec or on the expiry of 30 days after the decision of the Tribunal confirming all or part of the decision to impose the penalty or the review decision, as applicable.

However, a recovery certificate may be issued before the expiry of the time referred to in the first paragraph if the Minister is of the opinion that the money-services business is attempting to evade payment.

“**65.13.** On the filing of the recovery certificate at the office of the competent court, together with a copy of the final decision stating the amount of the debt, the decision becomes enforceable as if it were a final judgment of that court not subject to appeal, and has all the effects of such a judgment and, for that purpose, section 13.1 of the Tax Administration Act (chapter A-6.002) applies, with the necessary modifications, for the enforcement of the decision.”

CHAPTER VIII

FINANCIAL ASSISTANCE FOR INVESTMENT PROGRAM

98. The Act respecting the Financial Assistance for Investment Program and establishing the Special Contracts and Financial Assistance for Investment Fund, the text of which appears in this chapter, is enacted.

**“ACT RESPECTING THE FINANCIAL ASSISTANCE FOR
INVESTMENT PROGRAM AND ESTABLISHING THE SPECIAL
CONTRACTS AND FINANCIAL ASSISTANCE FOR
INVESTMENT FUND**

1. The Minister of Finance administers the Financial Assistance for Investment Program, which assistance is applicable in the form of a partial payment of the electricity bill of a recipient enterprise that carries out an investment project which pursues the objectives determined by ministerial order.

The classes of eligible enterprises and the eligibility requirements of a project are determined by ministerial order. A ministerial order may pertain to one or more components of the Program according to the class of enterprises to which it applies.

“2. An enterprise or a group to which it belongs may, according to the terms determined by ministerial order, be entitled to more than one amount of financial assistance.

Enterprises, one of which controls the other or which are controlled by the same person or partnership, form a group. A person or partnership that controls an enterprise, which in turn controls another enterprise, controls that other enterprise.

The following persons or partnerships control an enterprise:

(1) if the enterprise is a business corporation, the person or partnership that holds more than 50% of the voting rights attached to all the issued and outstanding shares of that corporation;

(2) if the enterprise is a limited partnership, the general partner; and

(3) if the enterprise is any other partnership, the partner who may determine collective decisions, if applicable.

“3. The maximum amount of financial assistance to which an enterprise or the group to which it belongs may be entitled is 40% of the eligible costs of the project. It may, however, in the cases and on the conditions prescribed by ministerial order, reach up to 50% of the eligible costs of the project.

However, the amount of financial assistance may not exceed 20% of the electricity costs for each billing period during the maximum period of application of the financial assistance, determined by ministerial order, even if, at the end of that period, the maximum amount provided for in the first paragraph has not been reached.

The manner in which the financial assistance is applied is to be determined by ministerial order.

“4. The eligible costs of a project that are incurred on the dates set by ministerial order are the amounts giving entitlement to tax depreciation.

If an enterprise belongs to a group, the eligible costs and the financial assistance are calculated for the group.

“5. Financial assistance is applicable only to electricity bills for a consumption period prior to the date determined by ministerial order.

“6. To receive financial assistance, an enterprise must send an application to the Minister before the date and in the manner determined by ministerial order.

“7. The financial assistance is subject to a verification conducted in the manner determined by ministerial order.

In the course of the verification, the Minister may revise, suspend or revoke the financial assistance. Where the assistance is revised or revoked, it may be recovered in the manner determined by ministerial order.

“8. The decisions made in accordance with this Act are notified to the enterprise. The Minister designates the persons authorized to sign the documents relating to the application of this Act.

If a decision grants or modifies financial assistance, it is also notified to the electric power distributor, within the meaning assigned to that expression by section 2 of the Act respecting the Régie de l'énergie (chapter R-6.01), which must specify, in the manner determined by ministerial order, the amount of the assistance on the electricity bill it issues to the enterprise.

“9. An enterprise has 15 days from the notification to apply in writing for a review of an unfavourable decision. The review decision must be notified within the same number of days.

An enterprise that is not satisfied with a review decision may contest the decision before the Administrative Tribunal of Québec within 30 days of its notification.

“10. This Act does not modify an enterprise's contract with the electric power distributor; the rates and the conditions for the distribution of electric power remain those provided for in the first paragraph of section 22.0.1 of the Hydro-Québec Act (chapter H-5).

However, the electric power distributor and the enterprise may, if necessary for the application of this Act, enter into a side agreement whose duration may not exceed the period of application of the financial assistance.

“11. The Minister must pay an amount to the electric power distributor as a partial payment of the enterprise's electricity costs that corresponds to the financial assistance to which the enterprise is entitled.

If financial assistance is recovered in accordance with the second paragraph of section 7, the distributor must remit the amounts so recovered to the Minister.

“12. The ministerial orders provided for by this Act are not subject to the publication requirement set out in section 8 of the Regulations Act (chapter R-18.1) or to the date of coming into force set out in section 17 of that Act.

“13. The Special Contracts and Financial Assistance for Investment Fund, dedicated to the payments referred to in section 11 of this Act and the third paragraph of section 22.0.1 of the Hydro-Québec Act, is established under the Minister's responsibility.

“14. The following are credited to the Fund:

- (1) the amounts paid under section 15.1.2 of the Hydro-Québec Act;
- (2) the amounts transferred to it by the Minister out of the appropriations granted for that purpose by Parliament;
- (3) the amounts remitted to the Minister in accordance with the second paragraph of section 11;
- (4) the amounts transferred to it by the Minister under sections 53 and 54 of the Financial Administration Act (chapter A-6.001); and
- (5) the gifts, legacies and other contributions paid into the Fund to further the achievement of its purposes.

“15. The following are debited from the Fund:

- (1) the amounts paid by the Minister to the electric power distributor in accordance with the first paragraph of section 11; and
- (2) the amounts paid by the Minister to Hydro-Québec in accordance with the third paragraph of section 22.0.1 of the Hydro-Québec Act.

“16. The accumulated surpluses of the Fund are to be transferred to the general fund on the dates and to the extent determined by the Government.

“4.1. The members of the board of directors, other than the chief executive officer of the Société, may not hold office for more than 12 years.

“4.2. Persons qualify as independent persons if, in the opinion of the board of directors, they have no direct or indirect relationship or interest, for example of a financial, commercial, professional or philanthropic nature, that might compromise their judgment as regards the interests of the Société.

A person is deemed not to be independent if that person

(1) is, or was in the three years prior to being elected or appointed,

(a) an employee or officer of the Société, one of its subsidiaries, a credit union that is a member of the Fédération des caisses Desjardins du Québec or a subsidiary of the Fédération, unless the person is an officer solely because the person is a member of the board of directors of a legal person referred to in this subparagraph *a*, or

The sole fact that a person is, or was in the three years prior to being elected or appointed, a director of a credit union that is a member of the Fédération des caisses Desjardins du Québec does not prevent the person from qualifying as an independent person.

“Officer” and “subsidiary” have the meanings assigned to them by the Securities Act (chapter V-1.1). In addition, a person’s immediate family members are the person’s spouse, father, mother, child, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law, or any other person who shares that person’s dwelling, except an employee of that person.

(c) a policy to determine whether a person in a situation submitted to the board qualifies as an independent person, and

(d) the candidate nomination process for the election of board members by the general meeting of shareholders.

Where the chair of the board is a member of a committee that exercises the function described in subparagraph 2 of the first paragraph, the chair may not vote on a resolution to recommend the profile referred to in that subparagraph to the board nor be present during deliberations on the matter.

“4.6. The functions of the committee responsible for human resources include

(1) developing and proposing to the board of directors an expertise and experience profile for the appointment of the chief executive officer, as well as criteria for evaluating the chief executive officer's performance; and

(2) making recommendations to the board as regards the chief executive officer's terms of employment, including remuneration.

Where the chief executive officer is a member of a committee that exercises those functions, the chief executive officer may not vote on a resolution to propose or recommend the elements referred to in the first paragraph to the board nor be present during deliberations on the matter.”

203. Section 5 of the Act is amended by inserting the following paragraphs after the first paragraph:

“The term of office of the chief executive officer may not exceed five years. The term may be renewed if the other board members, after having evaluated the performance of the chief executive officer outside his or her presence, consider such a renewal to be appropriate.

The chief executive officer may not be an employee, officer or director of a credit union that is a member of the Fédération des caisses Desjardins du Québec, the Fédération des caisses Desjardins du Québec, one of its subsidiaries or one of the Société’s subsidiaries, or have been such an employee, officer or director in the year preceding the date of appointment to office.”

(3) coordinating, to the extent determined by the Société’s board of directors, the Société’s relations with the manager referred to in paragraph 1, the Fédération des caisses Desjardins du Québec and their subsidiaries;

(4) ensuring that the board of directors has the necessary information, including a rendering of account by the manager referred to in paragraph 1, to evaluate that manager; and

If it sets up more than one investment committee, the board shall specify the field in which the investments each committee is responsible for are to be made.
